

**Directions on how to use eBooks in classroom:**

- *Make sure you have Adobe Acrobat Reader DC installed in your computer.*

Put CD/USB in computer (connected to projector/smartboard for the entire class to view) and double click on your book of choice. In Adobe, click **VIEW, FULL SCREEN MODE**. Alternatively, you can press **CTRL L**. To move from page to page, press **ENTER**. Alternatively, on some Adobe versions, you may click with your mouse.
